Not only for fast...

The front panel G-MP01CR with 2x USB Type-C®, 2x USB Type-A and a SD / micro SD card reader ensures that a modern variety of connections is available directly at the front. This puts an end to the annoying "crawling behind the PC". Besides the comfort gain, the GRAUGEAR front panel with USB HUB and card reader can be easily and elegantly integrated into a free 3.5" standard slot in the PC.

System Requirement:

- 1x internal USB 3.0 host (19-pin) header
