

GRAUGEAR®

USB4.0 DOCKING STATION

for M.2 PCIe Gen4x4 NVMe SSD

www.graugear.de**G-M2DK-U4-40G**

Package Contents

Features

- Supports PCIe 4.0 x4 transfer speed up to 40 Gbit/s USB 4.0
- Premium aluminum heat sink with excellent cooling effort
- Compatible with M.2 NVMe SSD in M Key spec and size of 2230, 2242, 2260, 2280 and 2210
- 50mm fan for active cooling
- LED indicator for power and access
- Supports Windows and MacOS

Specification

- Internal Interface : M.2 M-Key
- External Interface : USB 4.0
- Controllers : ASM2464PD
- Support SSD : M.2 NVMe SSD 2230, 2242, 2260, 2280, 22110
- Transfer Speed : USB 4.0 up to 40Gbit/s (Theoretic)
- Product material : Plastic / Aluminum
- Dimensions : L57 x W57 x H114mm
- Cable length : 60cm/18 inches

Startup with M.2 SSD

Please follow below setting step by step to active full speed of USB 4.0 before use this device.

3 Click Disk drives and then choose your SSD

1 Click Settings

4 Click Properties

2 Type Device manager

5 Click Better performance

Safety information

For your own safety and avoid physical damage as well as damage to property, equipment and loss of data, please observe following instructions

Warnings signs

DANGER

Danger due to chocking and swallowing

WARNING

Please be sure to read the instruction for use.

Keep small parts and accessories safe from children.

Keep and dispose of plastic bags and packaging from children.

Never put small parts and packaging into children's hands!

CAUTION

Your attention is drawn to a possible situation that could result in property damage and possibly environmental damage and disrupt operations.

IMPORTANT

Irreversible data loss is possible.

IMPORTANT

Please be sure to read the operating instructions.

Use the product only if all specifications and requirements are met.

Always perform a data backup of storage media to be installed.

Always perform a data backup before commissioning.

Always perform a data backup before connecting new hardware.

Only use the accessories supplied with the product.
